**POPE FRANCIS TWEETED**

**Aug 8:** Our outlook changes when we place Jesus at the centre of our lives. And despite all our struggles and difficulties, we feel wrapped in His light, comforted by His Spirit, encouraged by His Word and sustained by His love.

**Aug 9:** Let us remain with Christ. Let us always try to be one with Him. Let us follow Him. Let us imitate Him in his movement of love, in how He goes out to encounter others. Let us go forth. Let us have the audacity to trace new paths for proclaiming the Gospel.
