POPE FRANCIS TWEETED

Aug 18: To be children of the Father and to build a fraternal world, the real challenge is to learn how to love everyone, even our enemies. Concretely, this means choosing not to have enemies, seeing in others not an obstacle to be overcome, but a brother or sister to be loved.

Aug 17: Those who love do not stand around doing nothing. Those who love serve. They hurry to reach others to serve in the name of Jesus. We love through our deeds and love makes us happy!

Aug 14: Love alone extinguishes hatred. Love alone ultimately triumphs over injustice. Love alone makes room for others. Love alone is the path towards full communion among us.
