ST. VINCENT DE PAUL

Next Wednesday, 27th September is the feastday of St. Vincent de Paul. Vincent was born to a peasant family in France in 1581. Although he later achieved fame for his dedication to the poor, his early life was spent attempting to escape his humble roots. His family shared his ambition, hoping that a career in the priesthood would better the family fortune. He was ordained priest at 19, at 24 he was captured by pirates and managed to escape after two years. He devoted the greater part of his life in helping the poor. He founded the Vincentian order of priests and with Louise de Marillac, he founded the Sisters of Charity. He then expanded his work, founding hospitals, orphanages and homes for people who were mentally ill. He also devoted his last years to serving prisoners and slaves. He died in 1660.

St. Vincent de Paul did not found the Society of St. Vincent de Paul. The Society was not founded until more than 150 years after St. Vincent's death when Frederic Ozanam founded the Society. Ozanam was devoted to St. Vincent, who is the patron saint of charitable societies, and he modelled the Society on his call to "see Christ in the poor and to be Christ to the poor". The members of the Society of St. Vincent de Paul continue to honour his life and legacy.

You can become a part of this history when you join a conference, volunteer, or donate! It is not sufficient for me to love God if I do not love my neighbour. I belong to God and to the poor."—St. Vincent de Paul

The monthly collection on behalf of the Society will be taken up here in St. Joseph's next Sunday, 1st October.

POPE FRANCIS TWEETED

@Pontifex 23 Sep: We need to retrieve our passion and enthusiasm, reawaken our desire to commit ourselves to fraternity. We need to once again risk loving our families and dare to love the weakest, and to rediscover in the Gospel the transforming grace that makes life beautiful. #ApostolicJourney
